

To protect your well-being and that of our employees, we are temporarily closing our Plaza Frontenac & Saint Louis Galleria locations beginning today, March 19 through Friday, March 27.

We recognize these are stressful times for everyone and helping people get their best sleep on the perfect mattress has always been our goal at The Back Store. We encourage you to look at sleep as a tool to help alleviate the anxiety and stress during these times, and to help maintain a strong and healthy immune system.

Please visit our website  
[stlbackstore.com](https://stlbackstore.com)

and take advantage of our unprecedented offer during this time. We are stretching your dollar 35% further, with FREE shipping and delivery on all orders. This offer can be used now online, or later when you can visit our showroom.

Your continued support is important, especially to local businesses like ours.

#shoplocal

Thank you
